PREAMBLE

It gives us great pleasure to share that Government Autonomous Ashtang Ayurved College, Indore is celebrating its golden jubilee year. This institute started its journey in 1921 as Brahma Charya Ashram Trust which was established by Param Puiya Swami Dwaraka Duttaji Maharaj in Indore (The Nagari of Maa Ahilya). The Govt. of M.P. took over this institution on 12 December 1972 and the institution named as Government Ashtang Ayurved College, Indore.

The institute has completed its glorious 50 years in service of Ayurveda under Govt. of Madhya Pradesh and during this period institute produced the scholars who are rendering their services to the public in different fields like Ayurveda, politics, industry in the state and the country as well.

“When we honour the past, we energize the future and the present becomes a celebration.”

Jubilees are occasions to be celebrated, to recall the marvellous ways in which the institute has fulfilled its mission in imparting education, jubilees also provide an opportunity to reflect on the past achievements of the institute as well as introspect on the preparations to meet the challenges that lie ahead.

The institute decided to celebrate this occasion in grand style. Governing body of the institute has planned to organize International seminar, alumni meet, conferences, cultural activities and many more throughout the year.

On this Golden Jubilee celebration we provide opportunity to all alumni to reveal your college days and reconnect with your classmates.

The Golden Jubilee could well be called the Year of gratitude, because we have so much to be thankful for our former teachers, staff and all those who contributed in their own little way to make institute what it is today.
